MB Case Study Session: “Let me share this interesting case with you...”

We know you will enjoy this presentation as some of Manitoba’s finest in our profession present specific case studies and clinical tips on how they have managed. It’s an opportunity for you to see and learn from some of our best and up and coming practitioners, BUT also with an open mic for Q&A. We want you to poke and prod with all the questions you have for this group.

Dr. Marc Mollot

After completing a Bachelor of Science, Dr. Mollot obtained his D.M.D. degree from the University of Manitoba in 1997. He is a Fellow of the International College of Dentists and the Pierre Fauchard Academy among others. Dr. Mollot is an Evaluator for the National Dental Examining Board and is a member of the Seattle Study Club.

Dr. Mollot practises all aspects of dentistry but has a special interest in digital restorative dentistry and dental implants. He has been using digital technologies for restorative and Implant dentistry for over 15 years. He is passionate about both dentistry and the greater dental community.

Dr. Jose Viquez

Winnipeg Prosthodontist Dr. Jose Viquez earned his DDS degree from Universidad Latina de Costa Rica in 2010. After joining his father in private practice for a brief period, Dr. Viquez decided to pursue his advanced training in Prosthodontics. In 2014 he received a Certificate in Advanced Prosthodontics after completing a three year residency program at Louisiana State University School of Dentistry, where he had the opportunity to work with multiple implant systems. In 2015 he completed

the Surgical Dental Implant and Esthetic Dentistry Fellowship Program in the Department of Prosthodontics at Louisiana State University School of Dentistry. Dr. Viquez is a Fellow of the International Congress of Oral Implantologists and a Fellow of the Royal College of Dentist of Canada.

Dr. Murad Zaman

Dr. Murad Zaman obtained his doctor of dental medicine from the University of Manitoba. Dr. Murad has since practiced in Winnipeg and Pine Falls, Man., near Sagkeeng First Nation as well as Winkler, Man. These experiences have allowed him to expand his knowledge of dentistry, particularly the surgical aspects. Outside of dentistry he enjoys playing golf, cycling, and photography. He is also an avid Jets fan and also loves to lace-up the skates and play hockey. Dr. Murad spends time at home with his wife and daughter and the rest of his family.

Dr. Murad's passion for travel and philanthropy led him to Peru to provide dental care to remote villages in the Amazon rainforest. He looks forward to more dental volunteer opportunities both in Winnipeg and abroad.

Dr. Jeff Bassey

Dr. Jeff Bassey was born and raised in Manitoba. He completed his undergraduate science degree at the University of Manitoba in 2016 and graduated from the College of Dentistry in 2016. Following dental school, he completed an internship at the Health Sciences Centre in Winnipeg immediately followed by a four-year Oral and Maxillofacial Surgery program at the University of Manitoba and Health Sciences Centre.

Dr. Bassey holds a teaching position with the University of Manitoba in the Undergraduate Oral and Maxillofacial Surgery Clinic and stays involved in the dental community through continuing education.
